

Boots on the Ground 2015

Denver Metro Veteran Homeless Street Outreach Initiative

Attention Homelessness Service Providers,

- Do you work with individuals experiencing homelessness?
- Do you have a street outreach presence in your community?
- Do you know where individuals experiencing homelessness are located in your county?

If you answered yes to any of these questions, we need your help!

Metro Denver Homeless Initiative (MDHI) and VOA Back Home SSVF are implementing a street outreach campaign to identify all of the Veterans experiencing homelessness in Denver/Metro to help us make progress towards the national goal of ending Veteran homelessness in 2015.

Boots on the Ground (BOG) 2015 will take place in October, in advance of the VA Stand Down and Project Homeless Connect events in November. This year's coordinated efforts will be focused on Veterans, and subsequent years will be focused on other target populations such as chronically homeless individuals, youth and families.

Please send a representative from your agency to the following planning meetings occurring at the Veteran Services Center, 1247 Santa Fe Drive, Denver CO 80204 to help us build capacity and plan our strategy.
